Phase 2: Mocks and weak areas (Wed 21 Oct to Tue 27 Oct)

- **Full 100-question mock** on Wed 21, Fri 23, Sun 25 and Tue 27 Oct, at **9:30 am** (the likely exam slot), timer on, in one sitting with a pen.
- On the days between: the **3 weakest topics** from the Progress tab (*Practise weakest* button), then a 25-question mock on them.
- Every evening: re-read *Last-minute facts* for 3 topics.
- Make a one-page sheet of numbers you keep forgetting (leave days, RTI time limits, RTE sections, PTR, dates of schemes).

Phase 3: Sharpen, do not learn new things (Wed 28 Oct to Sat 31 Oct)

- Wed 28: last full mock + review.
- Thu 29 – Fri 30: only *Last-minute facts*, your one-page sheet, and 15-question mocks on weak topics.
- **Sat 31 Oct:** light revision only, admit card + photo ID + black ball-point pens ready, check the centre route, sleep by 10 pm.

Exam day (Sun 1 Nov)

- Reach early. Read the instructions on the booklet and fill roll number and booklet series carefully on the OMR sheet.
- **Round 1** (about 60 min): answer everything you are sure of. Mark doubtful ones in the booklet.

- **Round 2** (about 40 min): doubtful questions (see the guessing rule below).
- **Last 15 min**: check the OMR bubbles match your answers. Never leave OMR filling for the end.

The negative marking rule (important)

A wrong answer costs one-third of the marks a right answer earns.

- Sure of the answer → mark it.
- You can **rule out 2 options** → mark your best guess (on average you gain).
- You can rule out **1 option** → guessing still gains a little on average; guess if you have a reason to prefer one option.
- You **cannot rule out anything** → leave it blank (a pure guess gains nothing on average).

Where marks usually slip

- Numbers in service rules and acts (leave days, time limits, sections). Revise them every 2–3 days.
- Statement questions: check **each** statement separately before choosing "1 and 2 only".
- Hindi and English questions are quick marks: do not skip the language section.
- Current affairs from **Jan to Aug 2026** matter most; the paper was most likely set by September.

हिंदी में सार

- 10–20 अक्टूबर: हर दिन एक शिक्षा विषय + एक सामान्य विषय।
Notes → Practice → Mock → गलत प्रश्न Claude से पूछें।

- 21–27 अक्टूबर: बुधवार, शुक्रवार, रविवार, मंगलवार को सुबह 9:30 बजे 100 प्रश्नों का पूरा मॉक; बाकी दिन कमजोर विषय।
- 28–31 अक्टूबर: कुछ नया नहीं, केवल Last-minute facts और अपनी एक पेज की शीट। 31 अक्टूबर को जल्दी सोएँ।
- नेगेटिव मार्किंग: दो विकल्प हटा सकें तो उत्तर दें; कुछ भी नहीं हटा सकें तो छोड़ दें।

Quick facts
