

RTE Act 2009 and Child Rights Law: POCSO, RPwD, Juvenile Justice

शिक्षा का अधिकार अधिनियम 2009 एवं बाल अधिकार विधि: पॉक्सो, दिव्यांगजन अधिकार, किशोर न्याय

Why this unit matters for a Vice Principal

A Vice Principal in a Delhi government school is the officer who signs admission registers, handles complaints of corporal punishment, receives a POCSO disclosure from a class teacher, arranges a scribe for a child with disability, and chairs School Management Committee (SMC) meetings. UPSC therefore asks the **operational** parts of four laws: the **RTE Act 2009**, **POCSO Act 2012**, **RPwD Act 2016** and **JJ Act 2015**. Most questions turn on an age, a number, a section or a date. Learn those exactly.

Constitutional base

Provision	Content	Note
Art 21A	Free and compulsory education for children 6–14 "in such manner as the State may by law determine"	Inserted by the 86th Amendment Act 2002 ; in force 1 April 2010 with the RTE Act
Art 45 (substituted)	State to provide early childhood care and education (ECCE) until age 6	Directive Principle, not enforceable

Key cases: *Mohini Jain* (1992) and *Unni Krishnan* (1993) read education into Art 21. *Society for Unaided Private Schools of Rajasthan* (2012) upheld the RTE Act but exempted unaided **minority** schools. *Pramati Educational Trust* (2014, five judges) held the Act does not apply to minority schools, aided or unaided. **India**

ratified the UN Convention on the Rights of the Child on 11 December 1992. CRC adopted 20 Nov 1989; four principles: non-discrimination, best interests, survival and development, participation.

RTE Act 2009

Act 35 of 2009, assented 26 Aug 2009, in force **1 April 2010. 7 chapters, 38 sections, 1 Schedule.** Amended in **2012** (CWSN, minority institutions), **2017** (teacher qualification deadline) and **2019** (no-detention).

- **s.1(4), (5)** (2012): the Act is subject to **Art 29 and 30** and does not apply to Madrasas, Vedic Pathshalas and institutions primarily imparting religious instruction.

Rights and duties, s.3 to s.11

- **s.3:** every child 6–14 has the right to free and compulsory elementary education in a **neighbourhood school**. The 2012 proviso gives a child with severe or multiple disability the right to opt for **home-based education**.
- **s.4:** a child above 6 never admitted or who dropped out is admitted to an **age-appropriate class** and gets **special training**.
- **s.5:** right to seek transfer; the head teacher must issue the **Transfer Certificate immediately**; delay invites disciplinary action.
- **s.6:** neighbourhood school within **3 years** of commencement. Central Rules 2010 and Delhi Rules 2011 define neighbourhood as **1 km** walking distance for Classes I–V and **3 km** for Classes VI–VIII.
- **s.8** duties of appropriate Government; **s.9** duties of local authority (maintain records of children up to 14, ensure admission, monitor); **s.10** duty of parents to admit the child; **s.11** pre-school education for children above 3.

Admission rules, s.12 to s.15

- **s.12(1)(c):** unaided and specified-category schools must admit in **Class I** (or pre-primary where it exists) at least **25%** of strength from weaker section and disadvantaged group children of the neighbourhood and give them free education till Class VIII. **s.12(1)(b):** aided schools give free education to a share of children proportionate to

their aid, at least **25%**. **s.12(2)**: the State reimburses **unaided** schools at its **per-child expenditure or the fee actually charged, whichever is less**. In Delhi this quota is filled through the Directorate of Education's centralised computerised draw.

- **s.13**: no **capitation fee** and no **screening procedure** of child or parents. Penalty: capitation fee → fine **up to 10 times** the fee; screening → **₹25,000 first** contravention, **₹50,000 each subsequent** one.
- **s.14**: age proved by birth certificate under the **Births, Deaths and Marriages Registration Act 1886** or other prescribed document, but **no child can be denied admission for lack of age proof**.
- **s.15**: admission at the start of the academic year or within the extended period; even later admission cannot be denied.
- Supreme Court 2026: in *Lucknow Public School v. State of UP* (28 April 2026) the Court held schools must **admit children allotted under the 25% quota first** and raise eligibility disputes later; refusal violates Art 21A.

Detention, punishment, recognition, s.16 to s.20

- **Original s.16**: no child shall be held back or expelled till completion of elementary education (the **no-detention policy**).
- **s.16 as substituted by the RTE (Amendment) Act 2019** (Act 1 of 2019, in force **1 March 2019**): (1) regular examination in **Class 5 and Class 8** at the end of every academic year; (2) a child who fails gets **additional instruction and a re-examination**

The Central RTE (Amendment) Rules of **December 2024** applied detention to Centre-run schools (KV, JNV, Sainik). About 16 States and 2 UTs had already ended no-detention under s.16(3) before these rules; check the latest DoE circular for Delhi's position.
